

# KAREN TECHNICAL TRAINING INSTITUTE FOR THE DEAF

According to the Principal of Karen Technical Training Institute for the Deaf TECLA M. CHEMOBO; the institution is one of four Public Special Needs Technical and Vocational Education Training Institutes (TVET) in the State Department of Vocational and Technical Training in the Ministry of Education that was founded in 1990 to train mainly the Deaf Youth in Kenya.

The Institute is located in KAREN – Nairobi along KAREN ROAD off LANG'ATA and NG'ONG ROAD next to the Deputy President's New Office and Residence.

### **OUR VISION STATEMENT**

To be a Centre of Excellence in Integrated Technical and Vocational Education for the Hearing Challenged and the Hearing.

# **OUR MISSION STATEMENT**

We dedicate ourselves to the provision of Technical and Vocational Education and Training using modern technology and innovation; guided by the values of Commitment, Hardwork, Integrity and Teamwork while upholding Professionalism at all times.

### **OUR CORE VALUES**

In our Endeavour to provide quality service, we are guided by Core Values that include but not limited to:

- (1) Commitment.
- (2) Hardwork.
- (3) Integrity.
- (4) Teamwork.
- (5) Professionalism.

To guide Karen Technical Training Institute for the Deaf, the Institute developed a Strategic Plan 2015-2019 with a Vision "to be a Centre of Excellence in Integrated Technical and Vocational Education and Training for the Deaf and the Hearing".

To achieve this Vision, Karen Technical Training Institute for the Deaf in her Strategic Plan has outlined Six (6) Strategic Objectives namely:

- i. Provide Market-Driven and relevant Training to Students.
- ii. Provide Modern Facilities, Infrastructure and Equipment for Teaching and Learning.
- iii. Enhance Financial Sustainability by Increasing Revenue and Managing Costs.
- iv. Increase Linkages, Networks and Collaborations
- v. Improve Access to and Use of ICT.
- vi. Develop Human Resource Capacity and Improve Corporate Social Image.

To this end therefore, Karen Technical Training Institute for the Deaf first priority in the Institutional Improvement Plan is to "Increase Student Enrolment" through the provision of Market Driven and Relevant Training which is also the first Strategic Objective in the Strategic Plan 2015-2019.

### **STAFF**

The Institute has Sixty (60) Members of the Teaching Staffand Thirty Five (35) Support Staff, all committed towards the provision of <u>Specialized Quality Service Delivery".</u>

### STUDENT ENROLMENT

Over the last Two Years, from 2015 to date 2017, Karen Technical Training Institute for the Deaf has recorded a sharp increase in Student Enrolment from 135 in 2015 to 365 in 2017 in all the Training Programmes available in the Eleven (11) Academic Departments. Currently,the Student Population stands at 373 comprising mainly of the DEAF.

From January 2015, when the Institution was formally moved from the State Department of Basic Education to the State Department of Vocational and Technical Training, the Institution has continued to play a key role in the TVET Sector, particularly in the promotion of Special Needs Technical and Vocational Training to the Deaf Youth; to ensure that these Youth:

- Access Relevant Education and Training and are integrated into the Institution to the extent compatible with the interests of the student.
- ii. Have equal opportunities to associate and participate in all spheres of life in this nation.
- iii. Use Sign Language as a Means of Communication.
- iv. Attain life skills and exposure to employment in the Job market.

In conclusion, Karen Technical Institute for the Deaf continues to demonstrate the commitment to provide Quality Vocational and Technical Training to the Youth/ Persons living with the Disability of Deafness.
